

## [2007 Utah Cyclocross Series](#)

Your **best 7 races** count toward the series for your Individual Standings

On each race day only the best 7 riders from each team count toward the Team Standings

**Browser info:** If you have trouble viewing the results try using Internet Explorer.

Use the tabs below to view the standings.

The point structure works in the following way:

Take the points for your placing (below), then add how many finishers there were in your category. This is the same method as the Mountain bike Intermountain Cup.

Anyone finishing below 15th will receive points equal to the amount of total finishers.

1st	2nd	3rd	4th	5th	6th	7th	8th	9th	10th	11th	12th	13th	14th	15th	DNF
30	27	25	23	21	19	17	15	13	11	10	9	8	7	6	5

**Note:** The final race of the series counts for double points.
